

SPACENXT LABS

INTERSHIP ORIENTATION

Leading Aerospace Business Sustainability

About Us

Founded in 2018 and officially incorporated in 2022, SpaceNXT Labs emerged with a pioneering vision: to seamlessly connect industry and academia in the realms of engineering design and technology, with a special emphasis on Aerospace and Sustainability. Headquartered in India and Sri Lanka, we are excited to expand our reach into the UAE, driving innovation and fostering collaborations across borders.

Key Focus Areas

01

Aerospace/
Engineering

02

Sustainability

OUR VISION/MISSION

01

Vision

To lead the way in aerospace and engineering sustainability by pioneering futuristic and sustainable innovations, seamlessly connecting industry and academia.

02

Mission

To drive aerospace and engineering sustainability by delivering innovative solutions through advanced research and education.

WHAT WE DO

At SpaceNXT Labs, we are an R&D firm dedicated to bridging the gap between industry and academia. Our focus lies in driving innovation across engineering, artificial intelligence, sustainability, and aerospace sectors. By fostering collaborative projects, we leverage cutting-edge technology and research to address complex challenges and advance the frontiers of these dynamic fields.

01

R&D

Our R&D initiatives span a diverse range of sectors, including aviation, aerospace, digital marketing, sustainability, and consumer goods.

02

Training

SpaceNXT Labs offers specialized courses designed to equip individuals with advanced skills in aerospace design and green technology.

03

Internships

We provide invaluable internship opportunities that connect students from around the globe with leading industries in aerospace, sustainability, and AI.

OUR ASSOCIATED VENTURES

GENERAL GUIDELINES

- **Use a Calendar:** Track schedules, deadlines, and milestones with a shared calendar.
- **Arrange Weekly Meetings:** Hold regular meetings within the group to review progress and plan tasks.
- **Collaborative Documents:** Maintain shared documents for real-time updates and contributions.
- **Group Leader:** Appoint a leader to coordinate efforts and manage meetings.
- **Group Respondent:** Assign a contact person for communication with the supervisor.
- **Follow Timelines:** Adhere to deadlines and timelines outlined in briefing documents.
- **Query Supervisor:** Send questions to the supervisor's email as listed in the briefing.
- **MS Teams Accounts:** Request MS Teams access if needed for collaboration.
- **Effective Communication:** Keep open and clear communication within the team.
- **Document Progress:** Record work and decisions for easy tracking and updates.
- **Notify Absences:** Inform the team in advance about any planned leave or unavailability.
- **Be Prompt on Email:** Check and respond to emails promptly, as email is our primary communication medium.

Thank You

We look forward to an exciting journey together, where your contributions will help shape the future of aerospace, sustainability, and technology. Welcome to the team!

Feel free to update your LinkedIn profile to reflect your new internship role and share your exciting journey with us!
