

SEP Initial Meeting Minutes:

General introductions and discussions.

When are where do we want to meet:

- Wednesday → collaborative work

Standups

- One at end of week
- See how it goes
- Monday afternoon → 1pm
- Book rooms in the queens building or mvb comp sci lab

Client liaison

- Felix, Katie
- Rotate

Meeting with client

- Felix

In email about first meeting:

- Teams or in person → problems on teams

Things to think about with first meeting:

- Main point of contact
 - Contact details
 - When they work/holidays/busy periods

Agenda:

- Good time to meet
- Any documents that you want to give us
- Intellectual property
- Ask about the potential: Apis and what they are willing to maintain → google
 - General question about if they are willing to pay for an api
- Do they have data to provide

- Do you want real-time updates (for example if they went the wrong way the app would update) or just a fixed route to follow
- How sensitive is the data
- Are we going to need to make user accounts
- Multiple routes in a day
 - Scale
- Stat screen at the end of the route
- The clients availability
 - Week 10 (18-22 Nov)
 - Week 19 (24-28 Feb)
 - 3rd April

Stakeholders:

- Municipalities
- Waste management companies
- Environmental organizations

Data protection

- Safe storage of user data
- Ask the
